### OTHG History by John Justus

10 years ago October 2010  
 Don Sauberan wrote about a cruise to the car show at La Paz county park. It was a nice drive to the show but the weather turned to rain and thunderstorms later. Don also wrote about a cruise to the Crossroads Cafe in Parker for lunch. The weather was better on this trip. Don also did a lunch cruise to the Hualapai Mountain Lodge. He was busy this month. Dick Raczuk's shop tip article was about a fuel injection seminar held in his garage. The seminar was put on by Brian Macy from Horsepower Connection. The car of the month was Bill McLaren's 1937 Chevrolet two door sedan. Dean Willis received the toilet seat award. He had some water leaking issues on his way to the Prescott car show. Don Flood was the lucky winner of the 50/50 drawing.

### Prez Sez by Bruce Hall

Glad it's starting to cool down a bit! Fall is in the air!! 🍁 I hope everyone is staying safe and healthy. For some "get out of the garage" news Clyde Simmons is going to be organizing another OTHG KRUZE so keep your eyes 👁️ and ears 👂 open for more information to come! FINALLY! It will be nice to get back to simi normal at least and great to see everyone again!

# Tip by Dick Raczuk "Koul Tools"

## Tie downs

When tying down your car to the trailer, be sure you have the transmission out of park and in neutral. Always use wheel chocks or blocks on both ends of the car. (just in case it would decide to roll) after its all tied down, take any slop out of the blocks and make sure they are tight against the tires. The car you save may be your own.

# Health Tip

## 5 Simple Rules for Amazing Health

Following a healthy lifestyle often seems incredibly complicated. Advertisements and experts all around you seem to give conflicting advice. However, leading a healthy life doesn't need to be complicated. To gain optimal health, lose weight and feel better every day, all you need to do is follow these 5 simple rules.

### 1. Do Not Put Toxic Things Into Your Body

You can't be healthy if you keep putting disease-promoting substances into your body. These include tobacco and alcohol, but also certain processed foods and ingredients.

### 2. Lift Things and Move Around

Exercise doesn't just help you look better, it also improves your hormone levels, makes you feel better and reduces your risk of various diseases.

### 3. Sleep Like a Baby

Getting quality sleep can improve your health in more ways than you can imagine. You'll feel better both physically and mentally and lower your risk of various health problems down the line.

### 4. Avoid Excess Stress

Stress can wreak havoc on your health, leading to weight gain and various diseases. There are many ways you can reduce your stress.

### 5. Nourish Your Body With Real Foods

Choosing whole, unprocessed foods such as fruits, vegetables, seeds and whole grain is very important for your health.

# Miscellaneous

## **ACT NOW—TELL CONGRESS TO PASS THE RPM ACT AND SAVE OUR RACECARS!**

**Protect your right to race!** Tell Congress to pass the RPM Act now and stop the EPA from destroying motorsports in 2020. Your member of Congress needs to hear from you before the end of the year!

- Street vehicles—cars, trucks, and motorcycles—can't be converted into racecars according to the EPA.
- The EPA has announced that enforcement against high performance parts—including superchargers, tuners, and exhaust systems—is a top priority for 2020.
- The RPM Act was just reintroduced. Even if you are one of the hundreds of thousands of enthusiasts who contacted Congress in the past, we need your support now!
- Tell the bureaucrats in Washington that racecars are off limits!
