Prez Sez by Bruce Hall

Hi everyone! I hope everyone had a great Thanksgiving ...I am still full! Now we switch gears to Christmas! What a crazy year this has been!!! Hopefully the vaccine for Covid 19 will be effective and things can get back to a "simi normal" (cases are on the incline) 🧑🏻‍🤝‍🧑🏻 🎄

Hope everyone is doing well! Stay safe

OTHG History by John Justus

10 years ago

December 2010

There was no Road Rash for December 2010 in the files. There was a copy listed as a special edition for November 2010. That copy is summarized below. Don Sauberon wrote about a club run to Keepers of the Wild near Peach Springs. It is a sanctuary for wild animals that no one wants. He had reservations for lunch at the only restaurant in Peach Springs, but it was closed due to contaminated water. We ended up driving to Grand Canyon Caverns for lunch. There was only one guy at the restaurant, and he took all the orders, cooked all the food and brought it all to the tables. He accomplished all of this faster and better than we expected. We then drove about 35 miles back to Keepers of the Wild and had and had a very interesting tour. The run was a lot longer than we expected but we had a very good time.

Tip by Dick Raczuk "Koul Tools"

Just in case you have some machine equipment, here are some ideas on storing your day to day tooling. Magnets work great. Make sure they are strong ones. You will never have to look for chuck keys when they are hanging up in their stored position. I won't go thru all the details because a picture is worth 1000 words
