## OTHG History by John Justus

10 years ago November 2012  
President Barry Serlis wished everybody a happy Thanksgiving and a Merry Christmas. Installation of next year's club officers would be at the club Christmas party. The car of the month was Howard Lenington's 1934 Ford coupe. Dick Raczuk's shop tip was about taking photographs of an assembly before taking it apart. That way he has the photographs to remind him of how it looks because it may be some time before he reassembles it. Dennis Dunkirk retired as editor of the Road Rash. He had been the editor for almost 10 years. Ed Ebach, who started the Road Rash agreed to take it over again. Dick Raczuk was able to pass the toilet seat award on to Dick Gilbert for "his lame attempt to make it to the Sherm's Tour Car Show" that was being held downtown in Lake Havasu City.

## NOVEMBER

### Car of the Month by Dan Moisiso

# PREZ Sez by Brad Lano

I can see fall has arrived by all of the license plates that are changing color. With it we will welcome back our winter members. There are shows and cruises to attend as well and I am looking forward to seeing you all.

**We have a new location for our monthly meetings.** We will now be meeting at the Aquatic center Room 156 from now on. The Quality Inn was great to us for many years. It has been sold and we could not reach an agreement with them.

As this is our November newsletter that means the **Annual Christmas Party** is coming up. It will be held on Dec 4th at 5pm at the Bridgewater room. It is at the same place as last year. I am working on the arrangements as we speak. Dinner tickets will be sold at our November meeting. The cost for the tickets will be \$25/ per person. **Please bring your checkbook.**

I am wishing safe travels for everyone coming and going. And as I like to say, we come for the cars, but we stay for the people.

Happy Thanksgiving and Merry Christmas to all 🍫🌲

Brad Lano Pres. OTHG

## To all Members REMINDER::::

The Over the Hill Gang has a new location that we are calling Home. We are meeting at the Aquatic center Room 156 same time as always 7pm. This will be our new meeting place. There is an external door to enter room 156 on the back side of the building. I am looking forward to seeing you all there. Thank you, Brad Lano Pres.

## "Koul Tools" by Dick Raczuk

When installing *seat belts* in your ride, do yourself a favor and put the heavy buckle in the middle of the seat. They have a tendency to fall out when opening the door and chip the paint. (Like on my coupe)
