OTHG History by John Justus

10 years ago April 2013
President Dick Raczuk wrote about the latest Street Scene get together. These get together's were not regular car shows but just a gathering without entry fees, prizes or trophies. He said about 300 cars attended. He also wrote about the latest car club presidents meeting and the upcoming club picnic. The car of the month was Don Schofield's 1956 Chevrolet Bel Air. Dick's shop tip was about laying out cut lines on sheet metal. Also, when cutting along these lines he uses the widest blade to cut straight lines and the narrowest blade to cut curving lines. The wide blade will help the blade cut straight and the narrow blade will make it easier for the blade to cut around a curve. He also uses a push stick to help move the material. Don Sauberan wrote about the club run to the Pirates Den restaurant in La Paz County Park. There were articles about the Havasu Classics show at the shopping center north of town and The One Summer's Night club show at the Cabana Palms restaurant. Our club received a \$100 prize from Calvary Baptist Church for our participation at their Crossroads car show.

Prez Sez by Brad Lano

It has been a great month with a lot going on. I thank you all for your participation. It's not only the car shows but the support you give to all our members that counts. That's what makes this a great club. I am proud to be a member. 🙌 April will bring more outings so keep reading those email's for upcoming events. I am also saddened that we lost another club member Bill Ensley. He was just shy of his 90th birthday. A wonderful man and a mentor to me. He will be missed by all. 😞

Safe travels to you all.
