### OTHG History by John Justus

10 years ago May 2013  
 President Dick Raczuk wrote about the upcoming run to Havasu Springs. All of the local clubs were invited. There was a 50\50 drawing plus drawings for additional prizes donated by local parts houses. Dick Raczuk's Shop Tip article was about using a grinder or sander in a dusty environment. This dust is drawn thru the electric motor and it builds up. Every once in a while, use an air hose to blow the dust out. Eddie Ebach did not have a member profile, but he did mention that Dave Zalibra had won the toilet seat award despite not being at the last meeting. He also mentioned that Dick Raczuk's Graham Hollywood just returned from the upholstery shop and that this 10-year project was almost done. Don Sauberan wrote about the club cruise to College Street Brewery. Forty members and their wives attended. It was windy so the restaurant set up the seating indoors. Bill Cook thanked all of the people that helped set up for the club picnic. We had a turnout of 125 people.

### Prez Sez by Brad Lano

April is ending and our snowbirds are getting ready to head back home, I would like to wish everyone safe travels, But that doesn't mean the season is over. April has been busy for car shows and there is some hardware that was handed out to a couple of Members. Lee Stuart and Mitch Geiger both received awards. I would like to congratulate them both. Our KRUZE at the Montana Steak house was very well attended with 40 people and that is the largest one we have ever had!! Thanks to Ron it was a great success.

May brings more opportunities for car shows as well. Keep watching your email's. I am looking to get out and seeing you all enjoying your cars and your company. Our May meeting will be our last for the summer. September we will start our regular schedule again. Safe travels to all and stay healthy. I know sometimes that's a tall order but as I would like to say we come for the cars, but we stay for the people and friends we make along the way. Safe travels to you all.

## MAY

### Car of the Month by Tim McGuire

Until we meet again  
my friend

On Wednesday, March 22, 2023, our favorite Southern Gentleman, William Fletcher Ensley (Bill), passed away. He was 89 years old, just one-week shy of his 90th birthday. He was preceded in death by his loving wife Donna and his parents, Fletcher and Nettie Sue Ensley. Bill was born and grew up in Rutherfordton, North Carolina. He grew up in the country, tending animals, hunting, fishing, and spending as much time out of doors as he could. After graduation from Mt. Vernon High School he enlisted in the Navy. He was assigned to the USS Los Angeles. Bill enjoyed his time in the military. His experience with engineering and electrical work led him to his future career. After discharge, he returned to North Carolina. He completed two years at North Carolina State University. He went to work for Rockwell Corporation in Downey, CA, where he eventually became Director of Facility Services. During his time at Rockwell, he worked on a variety of projects, many of them requiring various secret security clearances. One of his favorite projects and one that he was most proud of was the work he did on the B-1 Bomber.

Donna and Bill retired to Lake Havasu City, AZ and built their dream home. Bill was very active in the community. He helped start a new chapter of Over the Hill Car Gang Car Club, served on the Elks Scholarship Committee, was active in The Deuces Car Club, and lent his support to a variety of community projects. Bill is survived by his two sister, Sibyl Lee of Boiling Springs, North Carolina, Francis Hope Honeycutt of Lewisburg, Tennessee, nephew and wife Bill and Marcie McDaniel of Forest City, North Carolina, nephew and wife Ben and Anne McDaniel of Boiling Springs, North Carolina as well as several great and great, great nieces and nephews.
