### OTHG History by John Justus

10 years ago October 2013  
Club president Dick Raczuk wrote about another successful Street Scene event downtown. He also mentioned the all clubs tower on McCulloch Blvd at Pima wash was dedicated with a noticeably favorable crowd in attendance. Dicks shop tip article was a simple piece of good advice, never get in your car without checking to see what's around it. The car of the month was Lyall Herwig's 1947 Oldsmobile Model 76 Sedanette. Dinner cruise events were held at "A Place to Be" and Mudsharks. There was no mention of a 50\50 winner.

### Prez Sez by Brad Lano

Hello everyone! We just finished our annual OTHG Picnic. Great turnout with 50 people. THANK YOU to all the members that helped and a BIG Thank you to Mark and Sharon Schmidt for opening up their home to all of us. I know it was earlier than usual this year, so a lot of members were not able to attend. We will work on a better date for next year. The last few months have been hard, and I need to bring everyone up to speed, as of today Ralph Baker is in the hospital and Bill Cook is not doing well either. Hopefully by the time you read this they will have both recovered. 🙏 October is a busy month with car shows and Kruzes. Ron has been doing a great job scheduling events for us all year long. 🙌 We need a few men to step up and fill some positions that will become vacant next year. We are looking for a Vice President and an event planner. I can tell you personally that it is very rewarding. Get involved and let's all have a great and safe Year.

## "Shop Tip" by Dick Raczuk

This is a picture of my 3 windows engine. Number 5 fuel injector stuck open and filled the cylinder with gas. That is a bent rod and broken piston your are looking at.

TIP: use fuel injector cleaner in your gas tank. If I would have checked my plugs, they were all rich. Could be from not driving enough also. Good idea to start engines at least once a week. I will from now on.....  
Dick
