OTHG History by John Justus

10 years ago January 2014
President Bill Cook wished everyone a Happy New Year and thanked Dick Raczuk for the Christmas party he put on. He mentioned some upcoming events and also, that he had fallen on his new knees. His knees were not hurt but he pulled several muscles. That extended his healing about four weeks. Dick Raczuk's shop tip was about drilling a hole in a piece of metal. To keep the drilled piece from spinning you can use a "unibit" or by clamping the piece being drilled to a table. Bill Ensley was the subject of the member profile. The car of the month was Ken Biggs 1952 Chevrolet Bel Air hardtop. Upcoming events were Cruzin on the River In Laughlin Nevada, the Havasu Balloon fest, the Dr George Show in California, The Lions Club show in Topock and a club cruise to Havasu Springs.

50/24

the President's Message

A Big January 2024 Shout-Out to all Over the Hill Gang Club Members!

I am looking forward to a great 2024.

One of my personal goals will be to increase Club membership. I don't mean to grow from current 50 to 75 or 80 but I feel an additional 10 to 12 is certainly possible. In my view we should all be aggressively looking for new membership here in Havasu. When planning to go out to dinner wearing a Club shirt is a subtle way to announce who we are. One of the major Club outings that we are currently planning is a Club Picnic at Rotary Park in April. Gil Jelkin has taken the initiative of contacting Parks & Recreation to secure an adequate location with plenty of parking and a covered cabana. Rik Jimerson will be coordinating with Gil on finalizing details and keeping me in the loop as we move forward. Another major event in 2024 will be an all Car Club Unity Run to Pirates Den in Parker in the Spring. I personally will reach out to Relic's & Rods, Havasu Classics, Outcasts & Pharaohs to participate in various activities. This will be accomplished through the Car Club President's Meet and Greet held each quarter. I look forward to getting to know more of the Members on a personal basis. We are opening the doors to our Club monthly meeting at 6pm, so come early and fellowship and let's get to know each other.

OTHG Christmas party 💰

Hello Members
I must say, I was tongue tied
when I received the plaque at
the OTHG Christmas dinner. I
guess I was caught "off
guard". Sooo, at this time I
would like to thank the staff
and members for the
beautiful plaque.
Thank you again

"Shop Tip" by Dick Raczuk

Friendly reminder It's easy to forget the maintenance on your street rod these days. Even if you do remember, by the time you get ready for it, you forgot where the grease gun is. Yes, old cars have grease joints unlike new cars. It's really a good idea to keep track of your maintenance for your rod, especially if you have more than one. Here is a lot of things to check. (I think)

1. oil generator
2. grease all joints
3. check mileage for oil and filter change
(I write the mileage on the filter)
4. check tire pressure and age
5. check coolant level
6. during the summer, carry an umbrella for sunshade
7. Front wheel bearings grease
8. AC tune up if you have one
9. check fan belts
10. check trans levels
11. write the mileage down on a piece of tape and place it where you will see it as a reminder.

PS: I just remembered I forgot some of these!!!!!!
