OTHG History by John Justus

10 years ago March 2014
 In his Prez Sez column, Bill Cook wrote about the passing of club member and past President Larry Thien. Dick Raczuk's tech tip was "do what you love and you will never work a day in your life". Dick also wrote that 58 cars from Phoenix area came here for shop and garage tours conducted by John Stimac. The subject of the member profile was Nick Mueller. The car of the month was Bill Rozhon's 1932 Ford two door sedan. Don Sauberan wrote about club cruises to Chico's Tacos and Mudshark's. The club had 37 cars at the Crossroads Car Show at Sara Park. At that show the club was awarded one hundred dollars which we donated to the local high school auto shop.

the President's Message

March will be an extremely active Month with regards to Car Shows, Member Garage Tours and Club Dinners. A word to the wise, please choose the activities you plan to attend as soon as possible and advise Rik if you plan to attend the event. I for one plan to attend the following: Havasu Deuces, Pharaohs Bullhead City, Clyde Simmons Garage Tour, Troop Box Convey, Dinner at The Foundry, Shriners Oatman Cruise, last but not least Horse Power by the Lake. I look forward to attending these important events and look forward to a good Club turn out. I have ordered new Club business cards to be ready for pick-up before the months end. Contact me if you would like any cards for your use. Have a great March and I look forward to seeing you at our next OTHG General Meeting.
