OTHG History by John Justus

10 years ago April 2014

In his column, President Bill Cook wrote about the upcoming club Picnic and the Havasu Street Scene cruise. He also mentioned the Havasu Classics car show where Don Sauberan and Dick Raczuk won their classes and Dick also won Best of show. Dick Raczucs shop tip was about how to improve your golf game. There was an article on Ed Coyer's 1955 Chevrolet Nomad project. The car of the month was Jack Seiler's 1948 Ford two door sedan. Don Sauberan wrote about two local car shows and the all clubs cruise to Havasu Springs. Scotty Watson won the toilet seat award for a dead battery.

the President's Message

March shows were a big success with the weather participating! The Troop Box Convoy hosted over 300 cars on Saturday the 23rd. Brad Lano won open roadster Corvette class for best in show, and Lee Stuart's brother Dennis won best in show for his 40 Ford Sedan. Congratulations to them both! Myself along with some of the hearty members participated and went to Oatman on March 27th, for the Shriners Children's Hospital Charity run. Because of your generosity we were able to donate \$450!! The second annual Horsepower by the Marina was also in March on the 30th. We are looking forward to our Club Picnic on April 20th at Rotary Park ((SEE FLYER IN THE ROAD RASH)). If you haven't purchased your tickets please contact Lee Stuart. You are required to present your ticket to enter the picnic. We welcomed three new Club Members in the month of March. They are Guy Shields, Lee Neiman and Al Fake. Welcome aboard new Members!

I know Facebook is problematic at times and can frustrate us all sometimes... I am sure many of you may have never started or have given up on Facebook, However, I hope you will consider this site.

Al Fake has set up this forum for us to communicate, share and keep up on the group's activities etc. Please check it out!!

Clyde and Maryann celebrated Clyde's 60 years in the Elks and Steve Bergo also was celebrated for his years as an Elk. It was a very nice time.

Meet Lee Neiman

A little info about me....

I worked at Navistar, (formally International Harvester) for 32 years. I worked in engine design and development mainly on the Power Stroke Diesel for Ford. I was drafted into the army in 1966 and served a short time at Fort Leonard Wood, MO, before being honorably discharged for bad eyes (noncombat profile). The most daring thing I have done was ride with Cotton Werksman (Google him) in his ARDUN powered '15 T roadster at 6000 rpms in high gear (148 mph) on a 2-lane road, at night, and we did that several times- for testing purposes lol. I like tinkering, repairing, improving my cars and also partaking in a few "cool ones" while solving the world's problems. Since my wife Margaret passed away, I have turned into a home body
