### OTHG History by John Justus

10 years ago

September 2025

In his Prez Sez column, Jim Haight wrote about new specialty light bulbs that are available at big box stores. They come in different wave lengths of light output but he preferred the one that mimics daylight. It gives a true color correction. Dick Raczuk's shop tip was about working with something that is easy to drop. He puts some towels on the car or floor to cushion the impact and prevent paint chips. The car of the month was Bill Root's 1965 Plymouth Belvedere hardtop. The club dinner cruise was to Cha-Bones. Dick Raczuk had an article on a land speed record car being built by Richard Noble. It has a jet engine, three rocket motors and a 5 liter Jaguar V-8. The top speed was expected to be over 1000 MPH.

**PREZ SEZ**

Unfortunately, we have lost another member, Ross Zie. He passed away on August 3rd. He was a great guy and will be missed! We are having a "Celebration of Life" for Ross and Dennis on October 9th at the Boathouse Grill on the island from 9am-12pm. I hope everyone will be able to come and Celebrate some Good friends. Lets laugh, cry and remember together!

Our OTHG monthly meetings/social hour, will be starting again this month. September 9th (6pm social hour, 7pm meeting) We have a lot to talk about and go over. I hope to see everyone there!!! So, let's drive our cars as much as possible, and Be safe.

Sincerely,  
Tim McGuire

# ROSS ZIE

Beloved Husband, Father and friend

UNTIL  
WE  
MEET  
AGAIN

Ross lived an adventurous life, being a life-long car enthusiast, an entrepreneur, and a traveler. He and his wife, Jeanie, resided in Arizona where he was active with the Old Guys Car Club and homebuilding. He also enjoyed art and making jewelry. Ross was a graduate of community college in Los Angeles where he studied art and business. As a younger man he traveled extensively throughout Central and South America and sold Porsches. In his business life, he owned two restaurants, a mortgage company, and did vintage and racing car restoration and engine repair. Once he retired, he and Jeanie owned an avocado farm in Bonsall. At permanent retirement, after traveling the United States in their motorhome, they moved to Lake Havasu.

*Your presence we miss, your  
memories we treasure.  
On the road of life, we will forget  
you not and cherish you always in  
our hearts.*

## Meet the New Members by Don Schulz

### Meet Jim Miller

A little info about me....

**I am full time resident of Lake Havasu, I have been in and out of Havasu for 50+ years. I am a transplant from California, born and raised. I Retired from Law Enforcement. I am Single with 2 grown boys, and 2 grandchildren. I am an Avid boater and hot rod guy!! My love of cars started while I was in high school. In 1967 I built a 1927 Ford "T" bucket, Big block Ford with the original bucket. I currently own a 26' Nordic deck boat and I drive a 1933 Ford Speedster.**

1st & 3rd Sunday: River Monkeys on the green, Iron Wolf 7am

HEAR YE!  
HEAR YE!

**BEST POLITICAL QUOTE OF ANY ERA:**

"The Budget should be balanced, the Treasury should be refilled, public debt should be reduced, the arrogance of officialdom should be tempered and controlled, and the assistance to foreign lands should be curtailed, lest Rome will become bankrupt. People must again learn to work instead of living on public assistance." Cicero, 55 B.C.

So, we've evidently learned nothing over the past 2,073 years!  
God Bless America!

**OTHG STORE ITEMS**

### **Larry Zelenski**

Hi I just joined this FB group and thought I would pass along info about our OTHG in Victoria BC Canada. I started the group in 2001 when most of us belonged to another car club here, but all of us preferred pre 49 hot rods and the club was expanding to newer cars. At that time about 15 cars from the San Diego chapter visited Victoria on a trip and we put on a BBQ for them and the idea of a Victoria chapter came up between me and the President of the San Diego bunch.....and shortly after we were born! There are about 20 of us, all have pre 49 cars, and we just have Saturday brekkies....no meetings, no executives.....pretty laid back! A few of us have been to Lake Havasu a few times and enjoyed the car scene there.

### **UPDATE ON HAVASU HOT RODZ** **from Rik Jimerson**

We have the garage tour scheduled for Feb 27th and the Show at Rotary Park on the 28th. Following the Garage Tours we will have an evening in the park with food vendors and a DJ where you can visit with Old Friends and make new ones. There will not be a banquet on Friday evening.

I am working on logistics with the City regarding cars on the Blvd on Feb 26th

We are speaking with web site and Facebook providers  
Logo development, shirts and artwork is being worked on  
We are keeping busy, doing daily following up on items that need to be addressed

Working on Sponsorship packages

If you have a business or person you believe would Sponsor our event, or if you have not committed to an area and want to help, please let me know

Save the date for this epic show!! The money that we raise is for a local foundation that gives free mammograms to help prevent breast cancer. Last year we lost one of our servers to this horrific disease, and to honor her memory, I created this show. Now, each year, I will host the show in her name. This one's for you, Deb. God speed!! Melissa

## "Shop Tip" by Dick Raczuk

Swap out incandescent bulbs for LED lighting. LED bulbs use almost 90% less electricity than other light bulbs, saving you around \$4,000 over its average lifespan. LED bulbs also last an average of 34 years compared to one year for incandescent bulbs, so you'll save money on replacement costs
