### OTHG History by John Justus

10 years ago January 2026  
In his column President Steve Root wrote about our club participation in the Havasu Balloon Festival and the upcoming annual club picnic. Dick Raczuk's tech tip was about replacing a hose without damaging the fittings at each end. The car of the month was Dale Geer's 1933 Ford three window coupe. Don Sauberan wrote an article on the beginning of the Havasu Deuces. The Over the Hill Gang cars were featured on Saturday at the Havasu Balloon Festival. The club also cruised to Mudsharks Pizza, Scotties Broasted Chicken and Burgers by the Bridge. Other events included the Mesquite Car Show, the Legends of Route 66 Car Show and the Knights of Columbus Car Show.

## the President's Message

Never say never. When joining the OTHG I let the folks know I would never be on a Board again, now look what I am doing. However, I feel very good about it. There are some very good Car Clubs in our community, and I enjoy interacting and having good friendships with several of their members. However, as I look at the friendships I have developed, I recognize I am blessed, not only for the Havasu car culture but being a member of The Over The Hill Gang. As I think about an organization that has now celebrated 25 years of existence, and still has founding members participating, I look back and see the ups and downs that take place in every organization. The ebbs and flows of membership and club activities. I looked at our Memorial Board and read names of so many that contributed to where we are, and what we are. I see Brad Blogerstaff, Ron Geer, Barney Murphy, Howard Lenington, Don Sauberan, Bill Ensley, Bill Verboon and so many more of what I consider The Old Guard. Men whose stories are still shared, as yours will be. Hang in there, we may be an ageing breed, perhaps a dying breed, but we are the future. Our efforts at assisting each other, our fellowship, will attract like-minded car enthusiasts. People that understand belonging to a Car Club, having dues and structure is as good for the existence as it was 50 years ago. Yes, times change, some things only if you let them. I ask those of you who may have actually read the message, to join me in finding and attracting individuals that still understand and want to be part of a CAR CLUB----OUR CLUB.

So as the new year begins, I would like to say that I am honored to be THIS clubs President and can not wait to see what the future holds for all of us.

## Annual Christmas Dinner 1/2 Date: December 7th

48 festive people attended our annual Christmas party. Great food and fellowship. There were "Honoring a Pillar to our Car Community" Plaques given out to Dick Raczuk, Mitch Geiger, and Don Schulz. There was also personalized mini toolboxes, **hand painted** by Guy Shields, given to each of the 2025 Board Directors and Appointed Officers. Rik Jimerson presented Tim McGuire a Plaque with a gavel on it saying, "President 2025 In appreciation for your tireless devotion to our club" The volunteers did a great job singing a customized version of 12 Days of Christmas with personalized "OTHG Car Club Lyrics". Some great memories were made and another wonderful Christmas party for the books.

## "Shop Tip" by Dick Raczuk

When storing your calipers, always leave a little space between the jaws for growth.  
During the hot season, metal likes to expand. Tip from mfg.
