## OTHG History by John Justus

10 years ago June 2016  
In his Prez Sez column Steve Root wrote about club donations to the high school auto shop and Sally's Place which is a shelter for women and children. Dick Raczuk's shop tip was about using saw dust to clean up oil spills. The car of the month was Barney Murphy's 1936 Ford two door sedan. The club dinner cruise was to the Golden Horseshoe. A group of club members went to Kingman for the Wine and Food Festival car show. Dean Willis's 1932 Ford won Best of Show. The club dinner cruise was to the Black Bear restaurant. Peter Malehiodi was the subject of the new member profile.

the  
President's  
Message

Summer is coming on, and once again it will be what you make of it. Yep, it will be hot, accept it and plan around it. Driving or working on your car can be a great way to spend time. Just visiting with your Buds and making the most of every day. Keep in mind that if looking at a tape measure and looking at it as a means to judge your life span, we do not have a lot of tape left. So, make the most of every day. Sitting in the house all day can make time drag. Getting out or inviting others over and sharing can bring laughs and memories for all involved. You may have noticed that I follow a secret shared with me many years ago, it seems to be working.

“Drive a Hot Rod EVERY DAY, and you will live forever”

I believe it, live it. Try it

Safe travels

## THE WINNERS ARE STILL WINNING

Winners depend upon themselves.

Winners recognize the importance of other people.

Winners look for solutions.

Winners are less concerned with image than

With accomplishment.

Winners expect to win in advance.

Winners are tenacious in the pursuit of their goals.

The Winner's goal is the accomplishment.
